

# ASSEMBLY INSTRUCTIONS

## TABLE COMPONENTS

Tabletop

Support pole

Table base

## INCLUDED HARDWARE

4x Screws

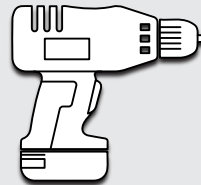

1x Bolt

1x Washer

## TOOLS FOR ASSEMBLY

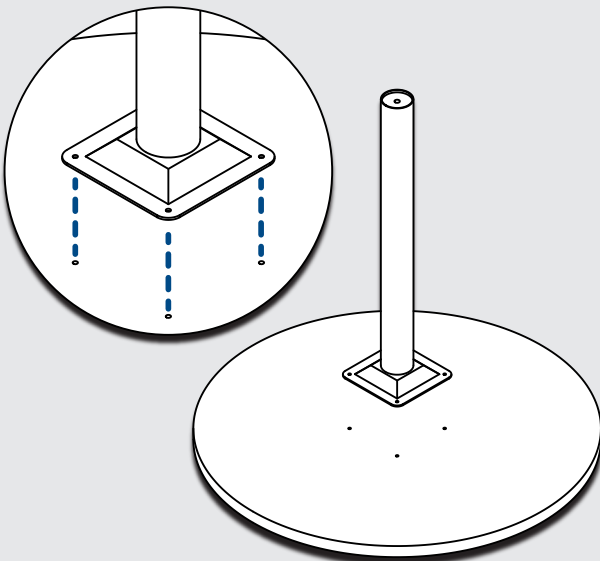

Drill

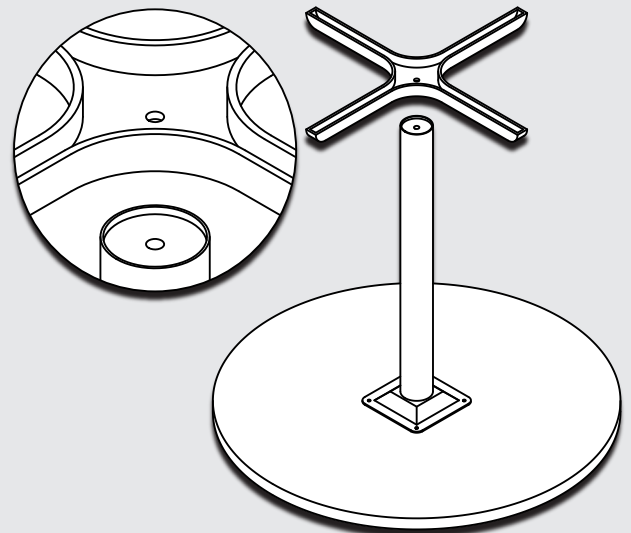

Wrench

- 1 Install Table support pole to the pre-marked holes on the tabletop using the 4 included screws.

- 2 Install the table base to the table support pole using the included bolt and washer.

- 3 If your table came with two poles and bases then repeat steps 1 and 2. Once completed, turn your table over.

**Congratulations, your table is now assembled and ready to be used!**
